#### RESPONSE TO DETAILED ACTION

1. It is acknowledged that the term of "use" should have not have been applied. The term "method" was the correct term as intended.
2. We have attached a listing of Figures modified with sequence references attached.

#### ELECTIONS/ RESTRICTIONS

3. We elect restriction to Group I. Group II/III are process claims, which are presently withdrawn. We will elect to rejoin the process claims to the product claims in an amendment when/if the product claim is determined to be allowable.
4. We acknowledge the definition of product and process claims as distinct inventions.
5. Restriction is accepted.
6. We will elect to rejoin the process claims to the product claims in an amendment when/if the product claim is determined to be allowable.
